## Ordering Made Easy

Every year hundreds of New Zealand businesses send Gourmet Direct food hampers to their valued clients. We offer a highly reliable, tailored service that will delight your clients. There's no need to leave the office, orders can be done online at [www.gourmetdirect.co.nz](http://www.gourmetdirect.co.nz) or by phone on 0800 737 800. We are here Monday to Friday 8am to 5pm and will be happy to answer your questions and help you design a gift pack that exceeds your expectations.

## Gift Vouchers & Cards

Gourmet Direct can create customised gift vouchers. These can be sent to your gift recipients with a full colour catalogue, to redeem a particular pack at their leisure, or to spend a predetermined value on a selection of their own.

You may choose to send us your own corporate gift cards with a list of recipients, or we can make all the arrangements ourselves and supply the cards.

## Delivery & Freight

Gourmet Direct gift packs are delivered in a reusable polybin cooler packed with ice and plenty of care. All products are vacuum packed for maximum shelf-life, making them ideal for taking on holiday, or to put in the freezer for later use. We offer nationwide delivery to individual addresses or in bulk to one address. You will need to nominate an urban delivery point for gift recipients at rural addresses. Pack prices do not include freight. Freight is added at our current rates for individual deliveries or on application for bulk deliveries.

## Your Guarantee

We pride ourselves on maintaining strict standards when it comes to product procurement. We deliver hand-picked products with an outstandingly consistent quality. We absolutely guarantee our products. In the unlikely event that your recipients are not completely thrilled with their Gourmet Direct gift – for any reason at all – we will happily replace the product or refund your money.

**Gift Ordering in 3 easy steps.**

Select from our popular Gourmet Gift Packs, or advise us of your budget and product preference and we will create a customised package. Orders will be delivered on the date of your choice.
